

Jennifer Matta Wood, RN, AAS, BSN

Jennifer Matta Wood, RN, AAS, BSN, is a clinical educator and clinical integration specialist with Shady Grove Fertility (SGF). During her 17-year tenure at SGF, she has worked in direct patient care, as well as office management. In addition, Ms. Wood has supported the

development and implementation of the practice standard operating procedures in the care of oncofertility patients.

Ms. Wood is an active member of the SGF Diversity, Equity and Inclusion (DEI) Committee and serves as

a clinical supervisor for the practice's Florida region. Her broad skills and management experience also involves training member practices in the SGF electronic health record program launched this year.

She has been a member of the ASRM Nurses' Professional Group and has chaired both pre-congress courses and symposia for ASRM, joining the ASRM DEI Taskforce as well. Passionate about patient-centered care, education and support for clinical and non-clinical team members, she empowers her colleagues to be mindful while caring for all patients.
